The mission of Aiken Electric Cooperative, Inc. is to empower communities by providing reliable, competitively priced energy and other services desired by our membership.

CO-OP NEWS EDITOR

Jamacia McCray
jmccray@aikenco-op.org

AEC is an equal opportunity provider and employer.

Navigating changes and celebrating resilience

AS WE APPROACH the end of the year, I want to share some important updates regarding our cooperative and our community.

First, I want to inform you that the Santee Cooper rate freeze will expire at the end of December 2024. This

rate freeze was put in place to stabilize costs during a challenging period, but its expiration will lead to increased rates for our members. We understand that using energy wisely is important, but we also need to remember that as rates go up in the future, Santee Cooper will take charge of navigating that change. As your cooperative, we are closely examining our budget to identify ways to save money and minimize the impact on our members, including potential budget reductions. We are committed to advocating for your interests as we navigate these changes.

Next, I want to address the recent impact of Hurricane Helene. This historic storm brought unprecedented challenges and caused lasting damage to our area. Our service territory alone faced the worst recorded damage, with more than 1,500 poles down across our 5,700-mile service area. To put the size of this area into perspective, that's the equivalent of a trip to Seattle and back. The widespread destruction required immediate restoration efforts and significant rebuilding of our infrastructure.

I am proud to report that we exceeded our original restoration timelines thanks to the remarkable teamwork of crews, employees and contractors from 15 states. For the first time in our co-op's history, we set up a Tent City to house our dedicated workers, providing meals, showers and laundry services. Their hard work and commitment made all the difference, and we are incredibly grateful for their support.

I also want to extend my heartfelt thanks to you, our members. Your patience and understanding during this challenging time have been invaluable as we navigated the aftermath of the storm. Your cooperation made it possible for us to restore services swiftly and effectively. Many of you took the time to donate to our crews and send cards of thanks and cheer. We are incredibly grateful for your kind gestures, support and understanding.

As we look ahead to the holiday season, I wish you all a wonderful Thanksgiving, a Merry Christmas and a Happy New Year. Your membership is not just valuable to us; it is the heartbeat of our cooperative. We appreciate your support and look forward to serving you in the coming year.

GARY L. STOOKSBURY
Chief Executive Officer

Holiday closings

Aiken Electric offices will be closed to celebrate the following holidays:

- ▶ **Thanksgiving**—Nov. 28 and 29
- ▶ **Christmas**—Dec. 24 and 25
- ▶ **New Years**—Jan. 1, 2025

Crews will be on standby in the event of an outage. Aiken Electric wishes you and your family a healthy, safe and happy holiday season. Merry Christmas from your co-op!

Apprentice Lineperson Kordaryl Williams (front), First Class Lineperson Ellis Crawford and Crew Chief Travis Smith unload supplies needed to set a new electric pole.

PHOTO BY JAMACIA MCCRAY

Cots lined up in Tent City, where more than 700 dedicated crews and contractors found rest and nourishment while working tirelessly to restore and rebuild after Hurricane Helene.

Historic storm, historic recovery

WHEN HURRICANE HELENE tore through our area at the end of September, the destruction to the Aiken Electric Cooperative system surpassed even the devastation of the 2014 Winter Storm Pax, breaking 1,500 poles throughout our service territory, knocking transmission infrastructure and communications offline, destroying equipment and putting 92% of our members in the dark.

From the morning of the storm, our line crews and employees worked tirelessly alongside crews from 15 states to rebuild our system and restore power.

Although power has been restored, there is still much work to be done, including cleanup and internet restoration. We appreciate our members patience and support during this time.

PHOTO BY JAMACIA MCCRAY

Aiken First Baptist Preschool made and donated more than 90 bags of snacks and treats for crews to have during long work hours.

BY THE NUMBERS

2014 Winter Storm Pax

- ▶ 29,000 members without power
- ▶ 400 people working restoration
- ▶ 320 damages poles
- ▶ 8 days to restore

2024 Hurricane Helene

- ▶ 49,000 members without power
- ▶ 922 people working restoration
- ▶ 1,500 damaged poles
- ▶ 15 days to restore
- ▶ 92% of AEC system down
- ▶ 27 of 29 substations without power

PHOTO BY VAN O'CAIN

Hurricane Helene's powerful winds broke utility poles like matchsticks. The storm's destruction resulted in the replacement of 1,500 poles on Aiken Electric's system.

Monetta man wins statewide service award

Who Powers You contest recognizes Brian Knowles' impact in community

BY JOSH P. CROTZER

BRIAN KNOWLES WAS IN the fifth grade, living in New York, when terrorists crashed planes into the World Trade Center towers on Sept. 11, 2001. Like everyone else around the nation, he was inspired by the courage and sacrifice New York City's first responders showed that day and, in the days afterward.

"I've always wanted to be able to wear a flag on my arm and serve in some capacity," says Knowles, who now lives in Monetta where he's been a member of the community's volunteer fire department for the past two years. "Sometimes I can't believe that I have the privilege be a part of the fire department here."

Knowles' humble commitment to serving his community is one reason he was selected as the winner of the 2024 Who Powers You Award, a contest sponsored by South Carolina's electric cooperatives to recognize people who are making a positive impact and benefiting members of their cooperative. Knowles, a member of Aiken Electric Cooperative, received \$500 from Aiken Electric as the local winner and \$2,500 from The Electric Cooperatives of South Carolina as the state winner.

Knowles' wife, Giovanna Lopez-Medina, nominated her husband for the award and shared a few examples of her husband "offering his skills and time to lend a hand," such as picking up neighbors walking on Hwy. 1 and giving them a ride home or taking a recently widowed neighbor's garbage to the dump each week, unsolicited.

"None of us in that department do the things we do and expect accolades. But if its inspirational to other people, that's good a feeling." —BRIAN KNOWLES

"A man at the gas station had broken down," writes Lopez-Medina. "Brian went home to pick up tools and came back to help the man change his starter out. It was hours of work for a complete stranger, and that's the person he is."

PHOTO BY REBECCA OSBURN

Brian Knowles, pictured with his family and Aiken Electric's Jamacia McCray (right), is winner of the 2024 Who Powers You contest for his positive impact in the Monetta community.

Knowles' inspiration for his servant's spirit can also be tied to his family and his fellow volunteers at the Monetta Community Volunteer Fire Department.

"I could tell you a thousand stories of things my grandfather and my father did for people," he says. "And not only that, but the way the people in my fire department carry themselves. It gives me that push."

Knowles was pushed into hazardous service the morning Hurricane Helene tore through the area in late September. He was responding to 911 calls when, as a tornado passed over him, he ran into a tree that had just fallen in front of his truck. The potentially fatal accident was even more traumatic for Knowles when learned of the death of the two firemen from nearby Circle Fire Department in Saluda County that same day.

"It was pretty heavy for me because we lost Chief (Chad) Satcher and Fireman (Landon) Bodie," says Knowles. "I heard about them and knew that the same thing almost happened to me."

Despite the accident, Knowles continued to do whatever he could in the aftermath of the storm. In addition to responding to emergency calls, he and his fellow firefighters cut and cleared hundreds of trees and limbs from roadways.

"I'll be honest, the concept of me getting this award is almost embarrassing to me," says Knowles. "None of us in that department do the things we do and expect accolades. But if its inspirational to other people, that's good a feeling."

POWER UP YOUR EDUCATION

Scholarships

Graduating seniors served by Aiken Electric are eligible.

\$2,000 Trustee Scholarship

\$1,000 Touchstone Energy Scholarship to a 4-year institution

\$1,000 Touchstone Energy Scholarship to a 2-year institution

Youth Programs

Rising sophomores and juniors served by Aiken Electric are eligible.

Merry Christmas to all...

...and to all peace and light!

We want our members to always know we are here to bring warmth, safety and service to you and your loved ones now and into the coming year.

Happy Holidays from all of us at

**Aiken Electric
Cooperative, Inc.**

aikenco-op.org

(800) 922-1262

Aiken Electric will be closed for the holidays Nov. 28–29, Dec. 24–25 and Jan. 1.

IT PAYS TO BE A MEMBER OF AIKEN ELECTRIC

We're returning \$800,000 to our members this year.

As we do each year, AEC is giving money back to its members. As a not-for-profit utility, AEC returns revenues that exceed operating costs to members as Capital Credits. Due to the financial stability of your cooperative and the leadership of the Board of Trustees and management, we are retiring \$800,000 to those who were members during **1995** and/or **2023**.

.....

Amounts of \$50 or less will be shown as a bill credit. Amounts greater than \$50 will be sent as a check.

The amount of Capital Credits returned is determined by margins and your total energy billings for the years listed above.

Capital Credits will be returned in December 2024.

For more information about Capital Credits, visit
www.aikenco-op.org/capital-credits/

Do we owe you money? Check this list

AIKEN ELECTRIC COOPERATIVE has unclaimed capital credits for the following persons. As required by state statute, AEC is required to publish a list annually that identifies the name and address of former members whose last known address is in South Carolina with unclaimed capital credits of \$50 or more.

In order to claim the capital credits, the individual will need to provide identification and proof they are the member who owned the account with the unclaimed capital credits. In order to claim the capital credits for a deceased person, the

cooperative requires a death certificate for estate refunds and will need either a Certificate of Appointment or an Affidavit for Collection of Personal Property from the Judge of Probate along with a completed estate application available at our office.

If you are a former member and wish to claim funds, please contact AEC by calling our office between 8 a.m. and 5 p.m. on weekdays at (803) 649-6245. Please reference your call as concerning unclaimed capital credits. For more information on capital credits, please visit aikenco-op.org.
